10 June 1959

Dear Dick:

As discussed during our meeting of 2 June 1959, you are accountable for any residual equipment, etc. acquired under Contracts FS-99 and OS-100. It is requested that you submit your inventory for these contracts indicating whether or not you have a continuing need for any of the equipment. If there is a need, please indicate under which current contract the equipment would be used in order that the necessary paper transfer may be effected.

We understand that the following equipment was acquired under Contract FS-99:

2 DeJur Stenorets w/mikes	\$339.00
1 90 mm Angulon lens with	
Strobonar VII pro-pack	139.90
1 Linhof 4x5 camera w/Zenar lens	429.70
1 Tilt-all tripod	47.50
1 Norwood exposure meter	32.95
1 Slide projector, lens, screen	
and carrying case	193.02

Your early compliance with this request will be appreciated.

Very truly yours,

Dan
